***Geronimo Stilton books are now located on the bottom shelf below graphic novels. They do not have a shelving exception sticker.**

Display books: Display books are on the table in front of the circulation desk and the table to right upon entering the library. Please make note of the display themes when you arrive. If books are returned that belong on these displays, please replace them.

Magic School Bus: The Magic School Bus books are on top of the nonfiction science shelf that contains books in the 500s-600s.

VS books: The VS books are on top of the nonfiction science shelf that contains books in the 500s-600s.

Who Was / Is? books: The Who Was / Who Is biography series is located on top of the biography shelves.

What Was / Where Is? books: The What Was & Where Is series' are located on top of the last row of nonfiction shelves.

The following books are most often misshelved, please note the special stickers on the spine when shelving.

Holiday Books: Holiday books are on the shelves that are the farthest to the right near the computer area (after picture books). Holiday books will have stickers like this:

Graphic Novels: Graphic novels are to the right upon entering the library, next to the new books and magazines. There are graphic novels (fiction) and graphic nonfiction books that are shelved separately and are labeled with the following stickers:

New Books: New books are shelved to the right upon entering the library, next to graphic novels. New books are separated into three sections: picture books, fiction, and nonfiction. New books will have a “new book” sticker like this:

*New easy readers are displayed on top of the easy reader shelves.

*New early chapter books are displayed on top of the early chapter shelves.

Easy Readers: Easy reader fiction books are to the right upon entering the library. Easy reader and picture book graphic novels are shelved after the easy reader fiction books. Easy reader nonfiction books are shelved after the graphic novels. Easy readers have a purple dot sticker like this:

Early Chapter Books: Early chapter books are straight ahead upon entering the library. These books are labeled F or FIC and have a red dot sticker like this:

920s: These books are collective biographies. They are at the end of the biography section. They have a green dot sticker like this:

State and Country books: State and country series books are at the end of the nonfiction section. They have an orange sticker like this:
