

# Botanical Garden

By Miley Tyson

I went to the  
botanical  
gardens for  
fun in the  
summer.

I saw lots of  
beautiful  
plants.

I saw a lizard  
and it was  
beautiful.

## About The Author

I am 6 years old. I love books. Whatever you do, always love plants! I am the artist and illustrator of this book. I was born in 2013. My birthday is March 29. I love making books. It is my specialty.
