

Florida Fun

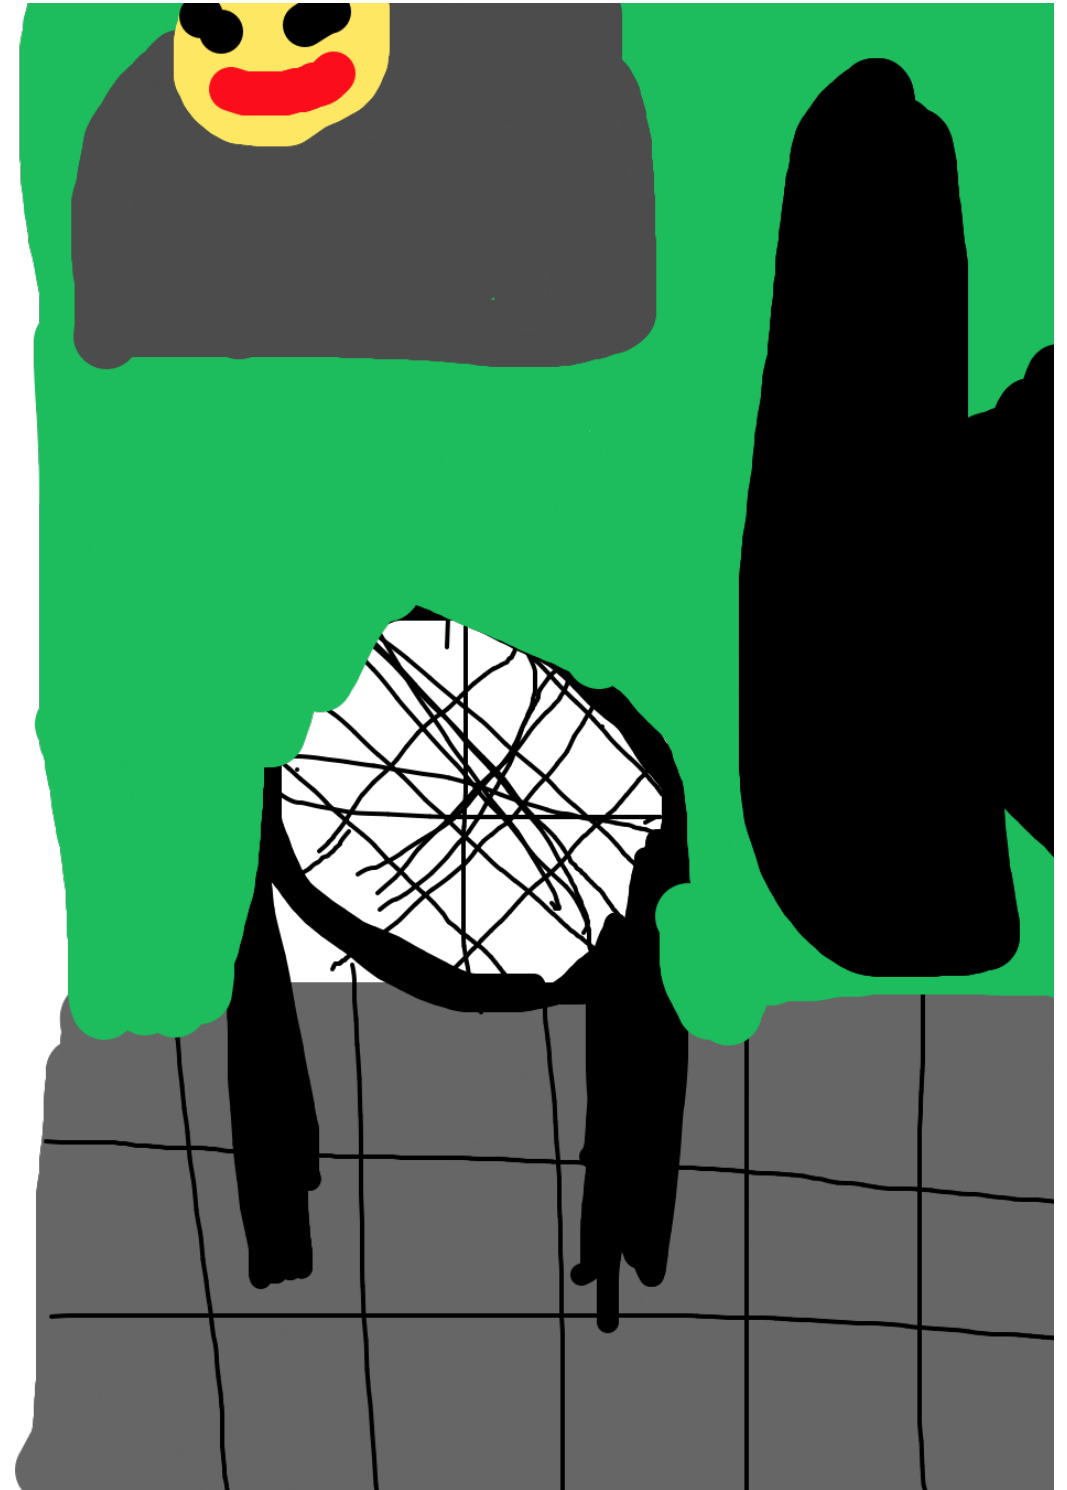

Damian Estes

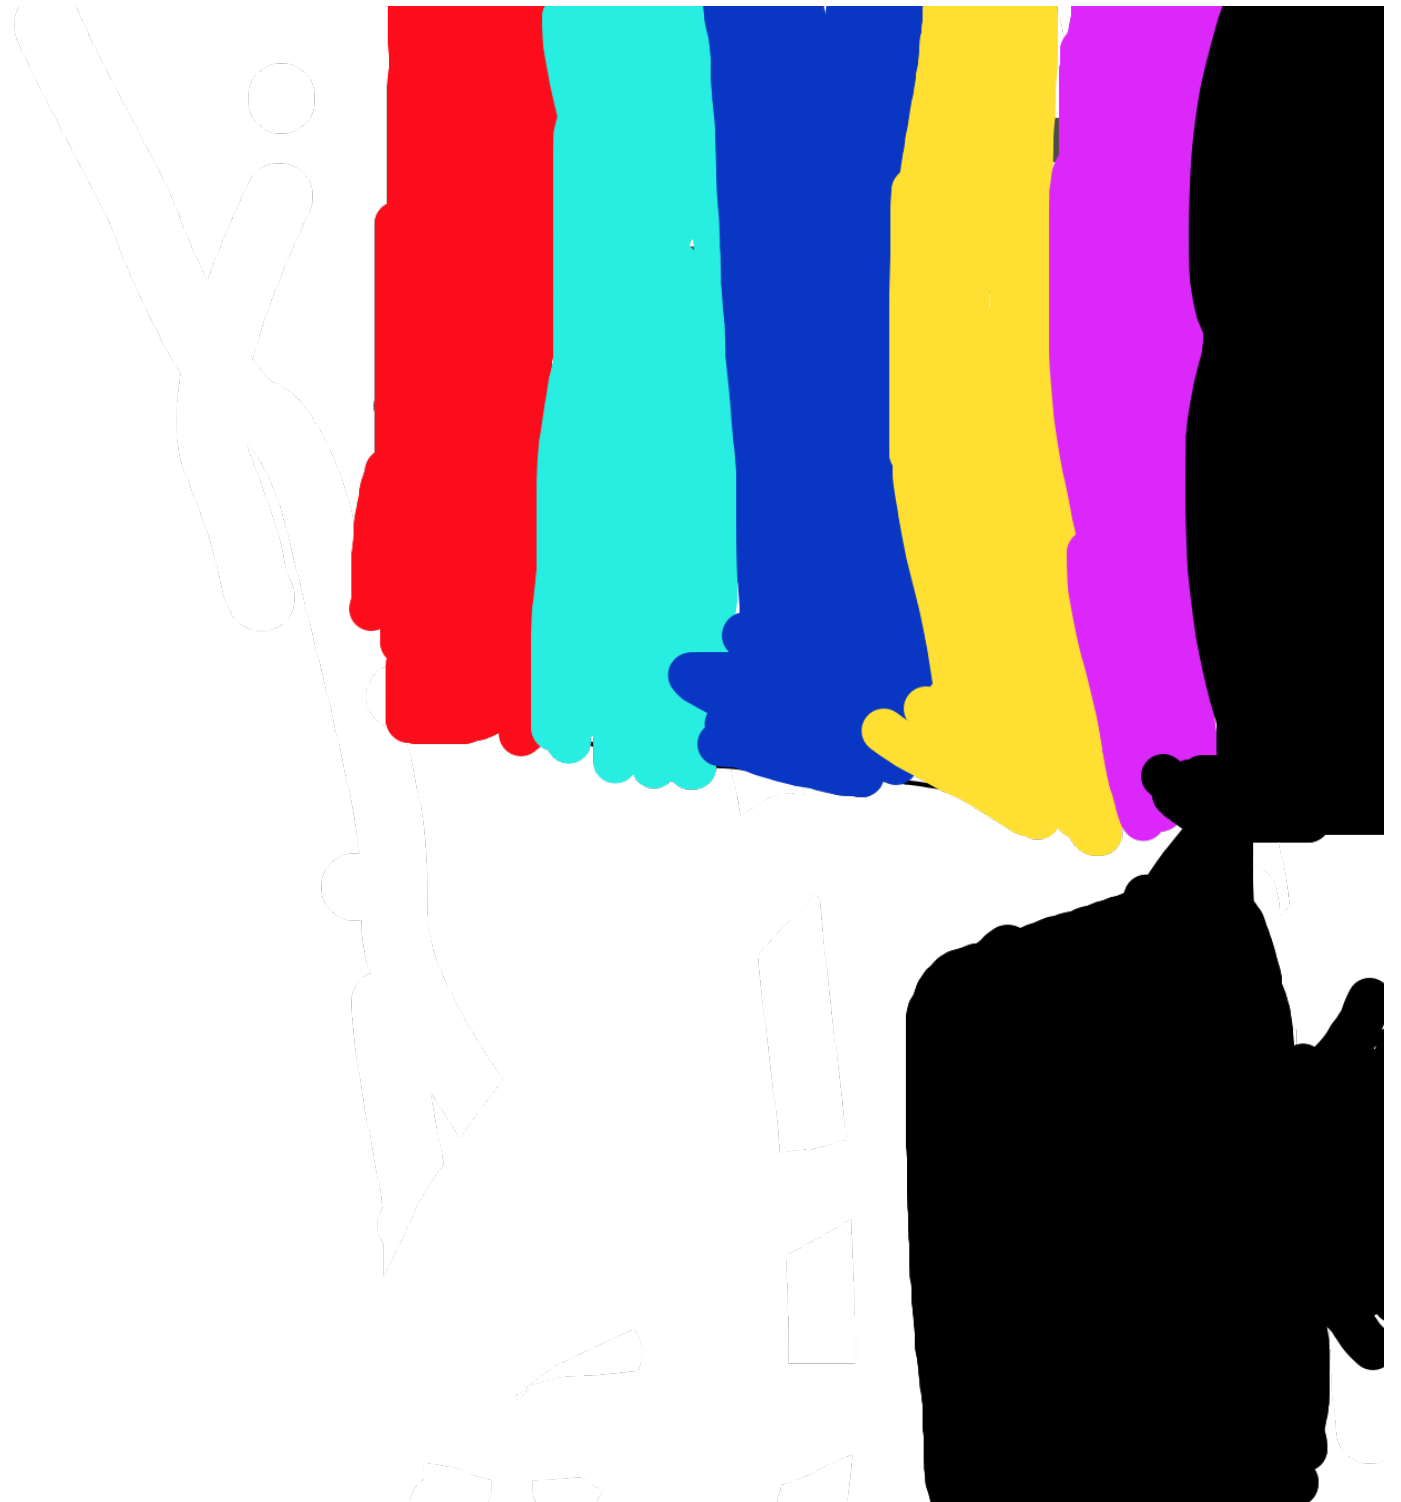

We went to
Disney World with
our cousins. We
went to a fancy
hotel.

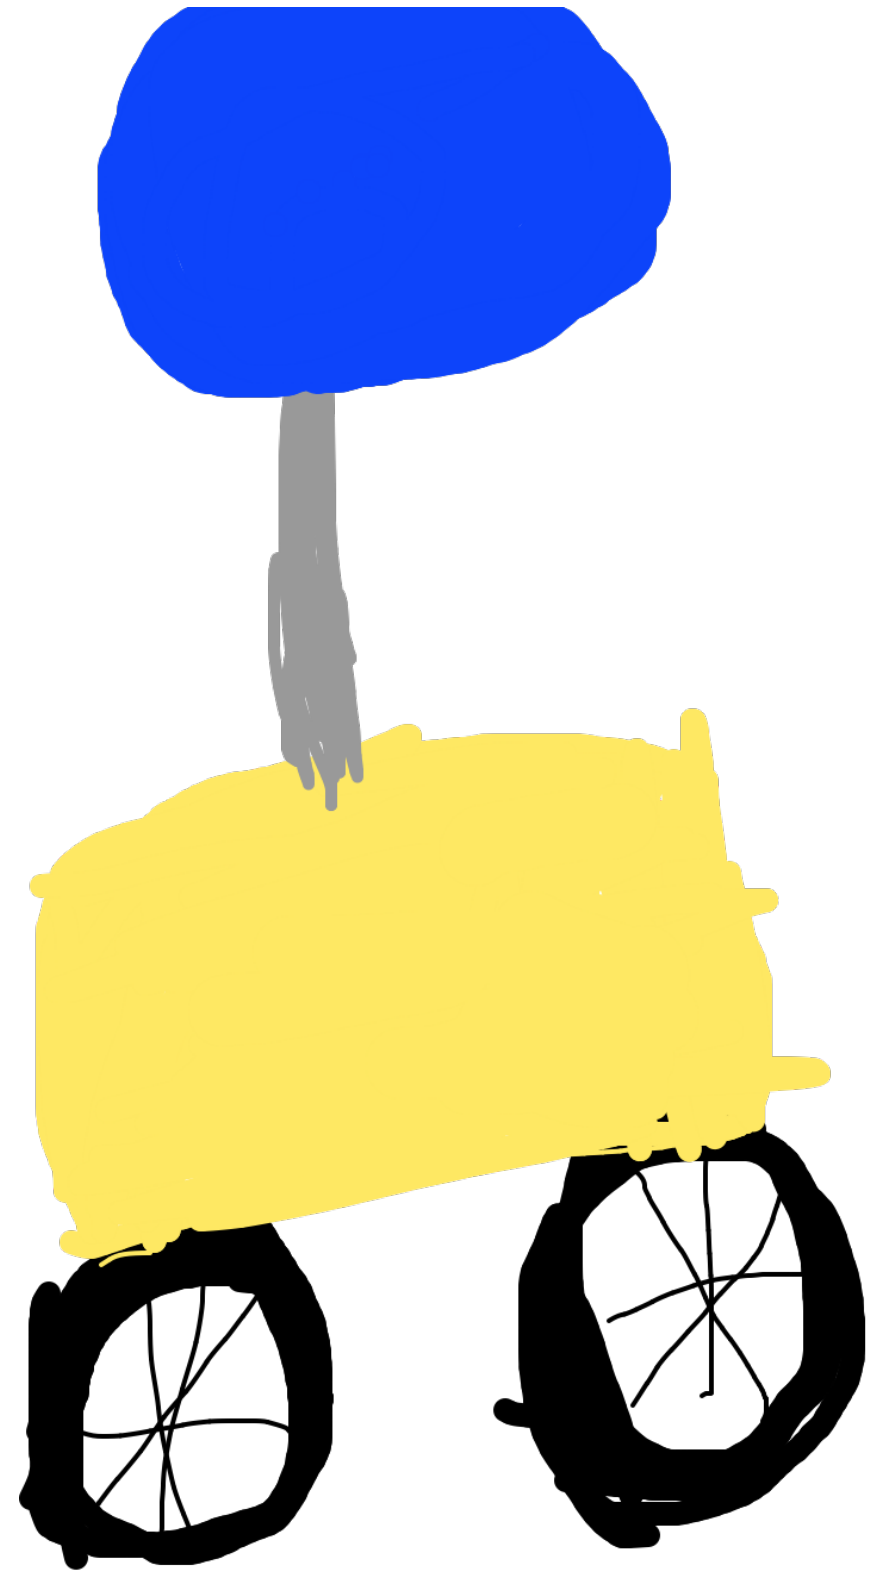

At dinner Solon,
Galen, and I
watched a movie
outside. I did not
like the movie.
Solon and I and
one of our cousins
snuck behind the
TV.

It was awkward.
We sat on a rock.
On the third day
at Disney World
we went to a
LEGO store.

After we got back from the LEGO store nearby, we got some lemonade at a lemonade stand.

When we got back to the hotel I built my LEGO. When we got on the plane back to Concord my LEGO was broken. I was unhappy. When I was finished with it, I was happy. Then I played with my LEGO. It was fun!
